Overall Performance

Metric	Score	Status
Critical Actions Checklist	100%	Pass
Communication & Empathy	80%	Pass
Clinical Reasoning (Post-Note)	8/10	Pass
Overall Result		**PASS**

Summary Feedback

The student conducted a thorough history-taking encounter. Strengths include establishing rapport, using open-ended questions, and summarizing information. Areas for improvement include incorporating more reflective listening techniques and exploring patient concerns in greater depth. The student outlined the next steps clearly and demonstrated a good understanding of the importance of addressing both the medical and personal aspects of the patient's complaint.

Critical Action Checklist

✓ **Introduced self with name and role**

Evidence: Introduced as Dr. Harris

✓ **Confirmed patient's name and preferred name**

Evidence: Confirmed patient name and preferred name

✓ **Elicited the chief complaint**

Evidence: Elicited Chief Complaint: Headache

✓ **Confirmed or clarified the context and impact of the chief complaint**

Evidence: Clarified impact of headache

✓ **Asked about associated symptoms**

Evidence: Asked about associated symptoms.

✓ **Asked about relevant past medical history**

Evidence: Asked about relevant past medical history

✓ **Asked about medications and allergies**

Evidence: Asked about medications and allergies.
