OSCE Evaluation Report

Rutgers Robert Wood Johnson Medical School

Generated: October 11, 2025 at 06:30 PM

Overall Performance

Metric	Score	Status
Critical Actions Checklist	92%	Pass
Communication & Empathy	80%	Pass
Clinical Reasoning (Post-Note)	8/10	Pass
Overall Result		**PASS**

Summary Feedback

The student demonstrated strong communication skills and gathered a comprehensive history. The student was friendly, warm, and showed rapport with the patient. The student could improve by showing more empathy throughout the interview and explicitly checking for additional questions at the end of the interview.

Critical Action Checklist

✓ **Introduce self with name and role**

Evidence: Introduced self as Dr. Harris

✓ **Confirm patient identity**

Evidence: Confirmed patient's name

✓ **Elicit chief complaint**

Evidence: Asked why the patient was there

✓ **Explore history of present illness (HPI) using OLDCARTS**

Evidence: Asked about onset, location, duration, character, alleviating/aggravating factors, radiation, timing, and severity

✓ **Ask about relevant past medical history**

Evidence: Asked about medical conditions, surgical history, and hospitalizations

✓ **Ask about medications and allergies**

Evidence: Asked about medications, allergies, and drug allergies

✓ **Ask about relevant family history**

Evidence: Asked about family history of headaches

✓ **Explore social history (smoking, alcohol, occupation, living situation)**

Evidence: Asked about smoking, alcohol, marital status, children.

✓ **Ask about impact on daily life**

Evidence: Asked how the headache was impacting the patient's daily life

✓ **Ask about patient's ideas/concerns/expectations (ICE)**

Evidence: Asked about the patient's perception of what's going on and their concerns. Patient mentions fear of brain tumor.

✓ **Summarize the history**

Evidence: The student summarized the history to ensure accuracy.

✓ **Explain the plan for the consultation**

Evidence: Explained the plan to do a physical exam and look into insurance

✗ **Check for additional questions/concerns**

Evidence: The student did eventually ask if there were any other questions after feedback from the SP.
