Overall Performance

Metric	Score	Status
Critical Actions Checklist	84.6%	Pass
Communication & Empathy	75.0%	Pass
Clinical Reasoning (Post-Note)	7.0/10	Pass
Overall Result		**PASS**

Summary Feedback

The student demonstrates a solid foundation in history taking and patient communication. The critical actions checklist is mostly complete, reflecting a comprehensive approach. Empathy is well demonstrated. Clinical reasoning is sound, with appropriate questions and a logical plan for further evaluation. To improve, focus on increasing reflective listening skills, providing more concise summaries, and explicitly addressing the patient's concerns about what to do if symptoms worsen before the next appointment (safety netting).
